

PROSPERMINDS • 2027

Three weeks that change how you manage public money

Five days. Real data. Practical IPSAS. Learn with peers from across Africa and go home with tools you use on Monday morning.

3 events

5 days each

Nairobi • Cape Town • Mombasa

CPD certificate

Learn data and AI. Manage public money better.

Governments now run on data. Budgets, taxes, payments and audits all leave a data trail. People who can read that data, report it the IPSAS way and use AI wisely catch waste sooner, plan better and serve citizens faster. These three events show you how, one simple step at a time.

APRIL 2027

26–30

Monday – Friday

EVENT 1 • NAIROBI, KENYA

IPSAS and PFM Analytics Conference

Link IPSAS reporting to the data that runs public money. Turn financial statements into facts leaders can act on.

Best for: accountants, finance officers, auditors and CFOs

AUGUST 2027

23–27

Monday – Friday

EVENT 2 • CAPE TOWN, SOUTH AFRICA

Data Modelling in PFM and IPSAS Compliance Conference

Build simple data models that track budgets, assets and IPSAS compliance in one place, so gaps show up early.

Best for: reporting teams, budget officers, auditors, ICT and data staff

DECEMBER 2027

6–10

Monday – Friday

EVENT 3 • MOMBASA, KENYA

Christmas PFM School for Data Analytics and IPSAS

A focused year-end school by the ocean. Refresh your data and IPSAS skills and plan a stronger new year.

Best for: all finance staff and team leaders
